Evaluation of Customer Satisfaction
about Telecom Operators in
Turkey by Analyzing Sentiments of
Customers through Twitter

Doğukan Kündüm
Senior Software Engineer
İstanbul, Türkiye

Özet

I graduated from Selcuk University, Computer Department. After,
I graduated from Dogus University with, Master of Computer
Department. Having worked in the soft-skills, telecom systems, and
product development system, I had the chance to gain more self-
confidence.

Deneyim

Garanti BBVA Teknoloji
Software Engineer
Nisan 2023 - Haziran 2025 (2 yıl 3 ay)
İstanbul, Türkiye

- Working under the Agile/Scrum rules.

- Using Garanti Smart tool for issue tracking.

- Developing new features and support product. (GT ARK backend, GT ARK
batch)
